

**MADE-TO-MEASURE
AUTO SUIT**

**MEASUREMENT
FORM**

//// GUIDELINES

- Read all instructions carefully before proceeding.
- Alpinestars takes no responsibility for incorrect measurements or measurements not legibly written.
- Write all measurements legibly in the measurement form.
- For accurate measuring have the measurements taken by someone else.
- Position the elastic band on the navel and use it as reference for the other measurements to be taken.
- Measure carefully and twice to ensure accuracy.
- Take all measurements in centimeters (cm).
- Measurements should be taken wearing underwear.
- Weight should be taken without clothing and height without shoes.

//// INSTRUCTIONS

- Use only the measuring tape included in the Alpinestars Made-To-Measure Kit.
- Before beginning to measure, follow the directions overleaf for placement of the elastic band.
- Measurements should be taken wearing underwear.
- Remember to always use the middle point of the elastic band as your points of reference.
