

# ICON™ Wiper Blades with ClearMax 365™

**BOSCH**

Invented for life

ClearMax 365™ rubber technology features a soft rubber core with a hard polymer shell

Introducing **Bosch ICON with ClearMax 365™**, a new technology that delivers the best wiping performance and durability in all weather conditions. It provides:

- ▶ Up to 40% longer performance life than other premium beam blades
- ▶ Smooth, quiet operation
- ▶ Optimum visibility in extreme weather conditions
- ▶ Exceptional performance at high speeds
- ▶ A customized precision fit

**ClearMax 365™** is an exclusive, patented technology not found on any other wiper blade, ClearMax 365™ combines a soft rubber core with a hard polymer shell for superior performance. The two elements are physically and chemically bonded together, which creates a wiping edge that:

- ▶ Offers cold weather flexibility
- ▶ Is hot weather resistant
- ▶ Remains pliable – does not crack
- ▶ Longer life – does not absorb fluids
