Child Safety Warnings

- **Adults supervising children must read and understand this entire manual before allowing any child to use this product.**
- **Adults must evaluate their own children as to maturity, strength, judgment and ability to follow safety rules. Published age guidelines are not a substitute for careful evaluation of your own child.**
- **Adults must teach children about thinking ahead while riding as this may be the first time a child has ever controlled a motorized ride-on toy. While you supervise, see through the child's eyes, and verbally teach them about steering and avoiding obstacles in the approved riding area.**

⚠ WARNING

- **Riding a motorized ride-on toy can be a dangerous activity, even under the best of circumstances. Good choices regarding where and when to ride, constant adult supervision of riding, and practice and careful riding by the child can all help to minimize risk. However this ride-on toy is intended to move and therefore it is possible for the rider to lose control, fall off and/or get into dangerous situations that no amount of care, instruction or expertise can eliminate.**
- **If this inherent risk is not acceptable, adults should not allow children to ride this ride-on toy.**

⚠ WARNING

Safe Riding Warnings

- **Not to be used by children under 36 months or children over 72 months.**
- **Do not exceed the maximum weight capacity of 88 lb (40kg).**
- **Do not allow more than 2 riders.**

ADULTS AND SUPERVISORS, PLEASE NOTE:

- 1. Always instruct all children of common sense rules and safe practices.**
- 2. Be aware that flat, hard surfaces provide the safest experience for child riders.**
- 3. Do not allow the child rider to operate the ride-on toy near streets, roads, sidewalks, walkways, or any other place where they may encounter other moving vehicles.**
- 4. Never leave children unattended with this ride-on toy. Continuous adult supervision is required.**
- 5. If necessary, adults and supervisors are always responsible for setting up gates and barriers to ensure a safe riding environment for the child rider.**
- 6. Be aware that this ride-on toy does not have braking capabilities. Allowing use of this ride-on toy in areas that require braking may cause rolls, crashes, serious injury, or death to the child rider.**
- 7. Teach children not to allow other children to use this ride-on toy. Communicate this message to other adults and supervisors of fellow children with which your child interacts.**
- 8. Sternly alert children that hands, legs, hair, and clothing can potentially get caught in moving parts. Ensure they never place a body part or piece of clothing near a moving part of the ride-on toy. Avoid loose clothing.**
- 9. Instruct children to always wear shoes when using the ride-on toy.**
- 10. Confirm that children do not have access to the charging equipment or come into contact with any part of the ride-on toy while it is charging.**
