

Fusion Wave BT Speaker - User Guide

Important: pTron 'Fusion Wave' speaker is set at 50% default volume. You can increase the volume through the Speaker or through the connected device.

Getting Started & Charging:

- i. Unbox the Party Speakers and remove all packaging materials.
- ii. Place the speakers on a flat surface.
- iii. Connect the Micro USB cable to the charging port on the speaker's backside, and connect the USB end of the Charging cable to a Power Source such as a USB Charger or other Charging Devices with a 5 volt output.
- iv. Charge the speakers fully before initial use for the best battery performance.

Bluetooth Pairing:

- i. Turn on the Party Speakers by long press the power button.
- ii. The speaker will enter pairing mode automatically.
- iii. On your smartphone or tablet, enable Bluetooth and search for nearby devices.
- iv. When you see "pTron BT speaker" in the list of available devices, select it to pair.
- v. Once the speaker is connected with the BT device it will respond with a voice prompt, "Connected"

Note: *If no device is connected within 5 minutes after turning on the speaker, the Speaker will automatically turn off.*

Basic Operation:

- i. **Power on/off:** Turn on/off the Party Speakers by long press the power button.
- ii. **Volume control:** Long press the "+" button to increase the sound and long press the "-" to decrease the sound.
- iii. **Play/Pause:** Press the play/pause button to start or pause audio playback.
- iv. **Next/Previous track:** Use the (single press) "+" & "-" buttons to move to the next & previous track when playing music.
- v. **M Button :** Use the (single press) the power button to change the speaker mode.

Note: *The speaker will automatically detect the TF card, USB drive, or auxiliary cable after inserting these devices.*

Wired Connection:

- i. To use a wired connection, connect one end of the 3.5mm audio cable to the AUX IN port on the back of the speakers.
- ii. Connect the other end of the audio cable to the headphone jack of your audio source (phone, tablet, computer, etc.).

TWS function:

- i. This speaker comes with auto-detecting TWS technology, so when two speakers turn on within proximal range, they will automatically connect to each other

Important: Please use this speaker within a 10 metre wireless range from the connected device

Safety Precautions

- Please keep this device away from extreme heat, liquids, humidity or corrosive environment.
- Please don't over-charge the product as it will decrease the service life of battery.
- Using incompatible USB cable or high voltage chargers can damage the product & void the product warranty. We strongly recommend using a good quality DC5V-1A chargers & the USB cable included in the package.
- This product or the Bluetooth function should not be used during charging.
- Don't jam the ports such as charger port, LED port, etc.
- It is recommended to utilize the product below the maximum volume in order to protect your hearing.
- Please don't open/temper the product or product's battery.
- Please keep the product out of children's reach.
- Dispose the product responsibly and adhere to your local authority guidelines.
