TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

OUTDOOR TOOLS

USER MANUAL

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

MODEL: 000SG6TDV0

Note: The actual product you receive determines its look.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

1. Important safety instructions

	Warning - To reduce the risk of injury, the user must read the instructions manual carefully. Save this manual for future use
	This symbol, placed before a safety comment, indicates a kind of precaution, warning, or danger. Ignoring this warning may lead to an accident. To reduce the risk of injury, fire, or electrocution, please always follow the recommendations shown below.
	Warning- Be sure to wear eye protectors when using this product.
	Warning- Be sure to wear gloves when using this product.
	Disposal information: This product is subject to the provision of European Directive 2012/19/EC. The symbol showing a wheelie bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices

Safety & Care Tips:

1. Always use protective gear when operating sharp tools
2. Keep tools clean and dry to prevent rust and ensure longevity.
3. Use the sharpening stone(not included) regularly to keep blades sharp and safe to use
4. Familiarize yourself with the fire starter before heading out.
5. Ensure all attachments are secured properly before use.

Sweet Tips:

Combatting Rust Formation:

1. Keep It Clean and Dry: Always wipe your tools down after use to prevent moisture accumulation.
2. Apply Protective Oil: A light coating of oil can help safeguard against rust

3. Remove Rust Regularly: Use steel wool or a wire brush to clean off any rust spots as they appear.

General Use for:

Basic Uses: Securing Tents and Shelters: Use the paracord to tie down your tent to keep it steadfast against the wind.

Making Traps and Fishing Lines: Createsnares to catch food or a fishing line for a fresh meal.

Tool Functionality Determined by Target Object

Note: This diagram is for illustrative purposes only on how to install axes, shovels, and other tools. The actual shape of the products shall be as per the items received. If the product you purchased does not include an axe or shovel, please skip their installation.
