

Technical Advisor (m/f/d)

Based in Telford and reporting to our Technical Supervisor this role will provide telephone and on-line pre and post sales technical support to customers, installers and service technicians requiring guidance and assistance on Riello & Vokèra portfolio of products.

Your Impact:

- Manage inbound calls from customers and engineers
- Investigate customer's problems, providing technical assistance on Riello/Vokèra products installed in the field both via the telephone and email
- Parts identification and selection for spare part enquiries
- Handling technical enquiries related to design, performance, approval, production, and operation of Riello/Vokèra products
- Preparing and maintaining technical documentation, help sheets, reports and records on our internal CRM system
- Any other duties as reasonably required to assist with Riello/Vokèra technical operations

Who you are:

- ACS qualification (Gas safe)
- Previous experience in repairing residential or commercial gas boilers
- Good understanding of heat systems
- Previous experience in commercial controls and renewable technologies
- An excellent telephone manner, with a high attention to detail, a problem solving right first time approach
- A degree of flexibility and the ability to communicate at all levels
- Strong problem-solving abilities
- Ability to manage escalations and handle difficult customer situations
- Excellent understanding of customer service principles and practices
- Proficient in using customer service software and CRM systems
- Ability to multitask and work in a fast-paced environment
- Flexible and adaptable to changing priorities and customer demands
- High level of patience and empathy

What makes us special:

Our employees are the key to making our vision come alive. With that in mind, we've created a range of benefits for our employees, including:

- Competitive salary
